* Oakland University offers testing in three different buildings. All buildings are within one block of each other, and are essentially the same location. Test Centers #12, #13 and #14 are all on the same day and time. Similarly, #15, #16 and #17 are all on the same day and time.

1. You MUST pre-register. Test Centers do not have extra testing materials to accommodate “walk-ins” or students who are assigned to test at a different Test Center.
2. If your own school offers the MEAP tests, or if your school has made arrangements with another school for all students to test at some other building, you are not permitted to test at one of our Test Centers.
3. The Michigan Merit Award is a \$2,500 scholarship awarded to graduating seniors based on their high school MEAP tests. Michigan law also provides up to \$500 in “additional funds” for students who earn the Michigan Merit Award and perform well on their 7th and 8th grade MEAP tests. To be considered for these “additional funds” upon graduation from high school, the student must have taken their 7th AND 8th grade MEAP tests (students in the 8th grade who did not take their 7th grade MEAP tests last year will not be eligible for these “additional funds”). Failure to take 7th and 8th grade MEAP tests does NOT affect a student's eligibility to earn a \$2,500 Michigan Merit Award when they are in high school.
4. 7th and 8th grade MEAP tests are offered ONCE each school year... there are NO make-up sessions.
5. Due to budget constraints, we are unable to offer more Test Centers than those listed. If an insufficient number of students choose a particular Test Center, we may modify this schedule or cancel a Test Center.
6. Applications are processed on a first-come, first-served basis. If all your choices are full by the time we process your application, you will be assigned to a Test Center that unfortunately may not be one of your choices.
7. Testing begins as soon as everyone waiting at the Registration Desk has checked in. Plan your travel wisely. If you arrive after your required arrival time, you may be denied access, regardless of the reason for your delay. Your Confirmation Letter will indicate your REQUIRED arrival time.
8. None of the MEAP tests are timed. Students have as much time as they need. Whether 7th grade or 8th, most students finish their two tests in about four hours.
9. SOCIAL STUDIES and LISTENING are not required for the Michigan Merit Award, so are not offered at Test Centers.
10. More information (map to your Test Center, list of what to bring, etc.) will be provided in the Confirmation Letter we send you on September 16, 2005. See the bottom of your Registration Form for more details.
